Flag: Flag for follow up

Hi Michele,

I hope this email finds you well. The attached summary of studies assessing the effectiveness of Bayer's volatility reduction agent, VaporGrip Xtra, was submitted through the portal today. We wanted to provide copies for your convenience. We look forward to additional discussions with the EPA team and are happy to answer any questions in the interim.

I hope you have a great weekend!

Best,
Stacey

Stacey L. VanBelleghem
